Choice of savings plan

Main plan / Company group 1

Dear pension fund member

You have the option of choosing between two savings plans.

Name	First Name
Street	
ZIP Code/Place/Country	
Date of birth	Staff No.
E-Mail	Telephone

The benefits provided by Pension Scheme Gate Gourmet are financed by contributions paid by members of the scheme and the company. **Members have, starting from the age of 45, the possibility with the savings plan « Plus » to select voluntarily higher employee's contributions and invest more in the personal pension.** The savings contributions of the employee of the savings plan « Plus » are 2% higher than of the savings plan « Standard ». The savings contributions of the employer are identical for the both savings plans.

The savings plan can be chosen on joining the pension scheme or from 1st January each year. The chosen savings plan is valid in each case for one calendar year. **If there is no change request until 30 November of the current year, the previous savings plan is valid for the following year. If a newly joining member of the scheme does not make a specific choice the « Standard » savings plan applies automatically.**

Please be aware that the deduction of your salary is higher for the savings plan « Plus » (the part of the employer remains unchanged).

Please tick

I choose the savings plan « Plus »

I choose the savings plan « Standard »

Age	Plus	Standard
45 – 54	9.0%	7.0%
55 – 65	10.5%	8.5%
